NICE, FRANCE

Picturesque

Scenic

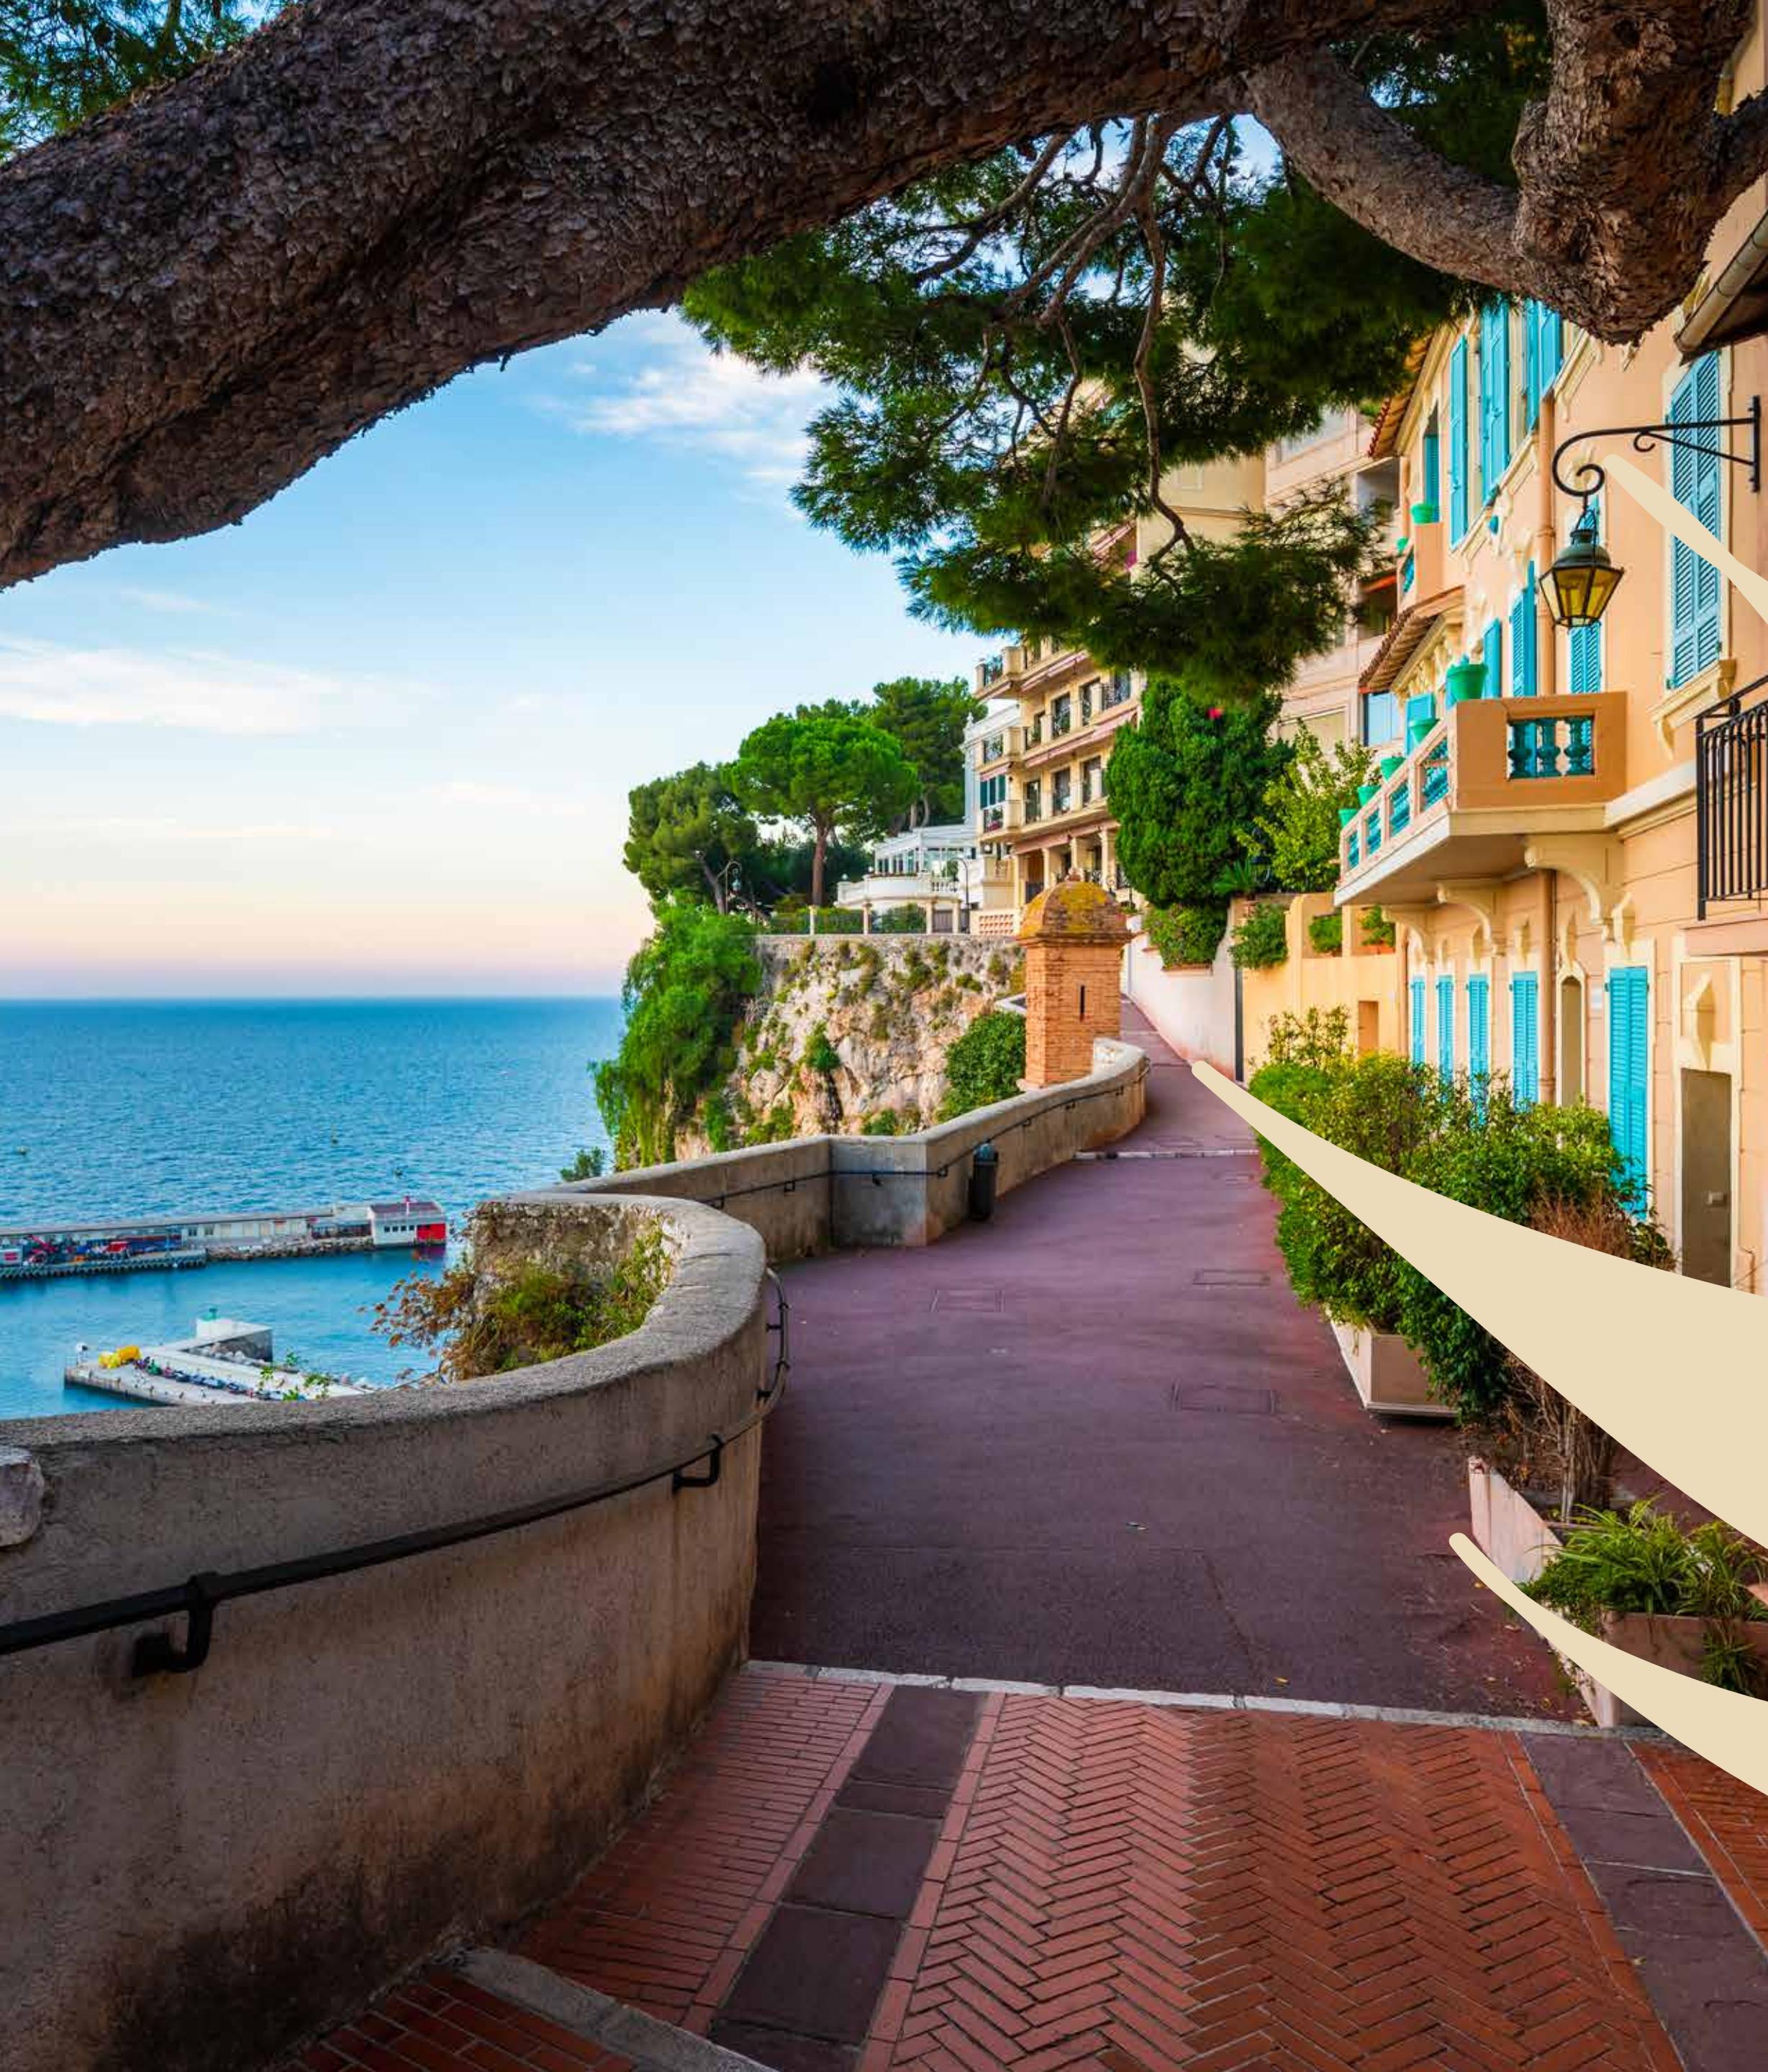

It's easy to see why impressionist painters were drawn to this little coastal town. The sunny skies, deep blue waters, cobblestone streets and distinctive architecture make it seem like a pastel work of art.

Celebrated as the capital of the French Riviera, Nice is the starting point of awe-inspiring journeys across the scenic Côte d'Azur coastline. Few things compare to taking in sunsets as breath-taking as these.

Historic

From the quaint streets of Old Town to the charm of Promenade des Anglais; the intrigue of the museums to the wonder of age-old cathedrals, there's rich history seeped into every part of Nice.

Home is where the art is. Nice will play host to exhibitions and workshops for art & sculpture, inviting aspiring artists.

The ambience draws inspiration from Musée Matisse, the museum featuring the works of famed Nice-native artist, Henri Matisse.
